I am trying not to be in the office tomorrow. My nephews are having a birthday celebration. We all share March birthdays.

Any chance to catch you today?

Hi [Ex. 7(c)]

I am looking forward to working with you and the gang on the Administrator's planned mission to Italy.

We are deep in planning, including my scoping mission in April. I understand that you have made some contacts especially regarding the Green Sports event with the baseball team. Can you fill me in on any outreach you have done so I can be sure to build it into our notional schedule?

Thanks, Mark
